Hillsborough Collection Cost Center homeowners will be able to view all of the approved schemes and order Dunn Edwards color chips from the website.

***These color schemes are PRE-APPROVED!*** *If you select a color scheme from the website for your home and do not modify any color of the color scheme, you will NOT need to submit a Home Improvement Form. You must paint the trim with the trim color, the front door the color assigned for the front door, etc.*

If you would like to paint your home with custom colors, or a combination of colors from different color schemes, before you begin painting you must request approval. To request approval, submit paint color samples and a Home Improvement Form (available at [www.socalenterprise.com](http://www.socalenterprise.com)) to the management company.
